

To strengthen our team at the BOCS headquarters in Bremen, we are looking for a

## Technical Superintendent (m/w/d)

### ABOUT US:

BOCS, Bremen Overseas Chartering and Shipping, is a family-owned shipping company based in Bremen, Germany. For more than 30 years we operate a regular liner service between Europe and West Africa. With our fleet of MPP vessels we successfully perform transports of general cargo, project and container cargoes including IMO/dangerous goods.

### WE OFFER:

- A varied job in our highly motivated and committed team, a multifaceted daily work schedule and possibility to partly work from home
- Extensive social benefits such as flexible working hours
- Company pension scheme
- Egym Wellpass, Bike leasing etc.
- Vibrant company culture and social events

### YOUR PROFILE:

- Completed studies in the field of shipbuilding, marine engineering, engineering or a comparable qualification
- Several years of professional experience in a similar position, ideally as Technical Superintendent or Chief Engineer
- Sound knowledge of international maritime regulations and standards
- Strong analytical and problem-solving skills
- High sense of responsibility and initiative
- Very good communication and teamwork skills
- Willingness for occasional travel and shipboard visits
- Good written and spoken English skills

### YOUR RESPONSIBILITIES

- Responsible for the technical support and maintenance of our fleet
- Planning and monitoring maintenance and repair work
- Ensuring compliance with national and international regulations and standards
- Carrying out inspections and audits on board
- Cost control and budget planning for technical operations
- Supporting the selection and procurement of spare parts and equipment
- Working closely with the ship's crew and external service providers
- Preparation of reports and documentation
